EXAMINER'S AMENDMENT

Applicant's Request for Reconsideration in Paper # 7, filed on July 29, 2003, has been acknowledged.

Claims 1-26 are pending in this application.

Claims 27-30 have been withdrawn from consideration as being directed to non-elected invention without traverse in paper # 5.

Applicant's Request for Reconsideration of the last Office Action is persuasive, therefore, the rejections of that action is withdrawn.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The application has been amended as follows: cancel claims **27-30** as being directed to a non-elected invention (without traverse).

3. Claims 1-26 are allowed.

4. The following is an examiner's statement of reasons for allowance: The prior art taken either singly or in combination fails to anticipate or fairly suggest, among other things: a) a die package having a reference voltage plane "electrically coupled to a contact that is at least partially exposed externally of the package housing" and "posts" forming part of the package housing and "extending" from the bottom surface of the housing, as recited in independent claim 1, b) *the package housing being capable of*

mating with the mating socket such that the post are received in the socket, the package pins engage the socket contact beams, and the reference voltage contact engages the mating pin, as recited in claim 14, and c) a ground plane grid in the base, wherein the electrically-conductive pins are electrically insulated from and pass through the ground plane grid" as recited in claims 8 and 20.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
